

Evaluierte Literatur - Material Zinkoxid

Aufnahme in Umweltorganismen

(Stand Nov 2017)

Zusätzlich zu den im Zinkoxid-Text in der DaNa-Wissensbasis genannten Studien wurden weitere Studien verwendet, diese zusätzlichen Studien sind hier nach Organismen sortiert aufgelistet. Alle Studien haben die Prüfung mittels DaNa-Kriterienkatalog bestanden und werden, sofern sie sich mit mehr als einem Organismus befassen, mehrfach gelistet (Stand Nov 2017).
